RE: Public Records Request

Dear Mr. Peterson:

Your recent request for documents under the Massachusetts Public Records statute, G.L. c. 66, § 10, directed to the library of MCI-Shirley, a facility of the Massachusetts Department of Correction, has been referred to me for response. Your public records request seeks:

Copies of written and electronic complaints and challenges for removal, reclassification, or other reconsideration of publications, including books, magazines, movies, websites (e.g. filtered from library computers), or other media from January 1, 2010 to present, as well as records, petitions, and correspondence related to these challenges.

Please be advised that a thorough search of MCI-Shirley records, including library records, has failed to identify any documents which meet your public records request.

Sincerely,

Richard C. McFarland
Senior Litigation Attorney
